GREAT HONORS TO A SURGEON

Former Fallowfield Twp. Resident Performs Rare Surgical Operation

NOW A SURGEON IN ARMY

A former Fallowfield township boy has won great honors in the medical field and added a new chapter to the history of surgery in America.

Dr. John C. Calhoun, attached to the base hospital at Montgomery, Ala., has saved the life of a young man serving in the United States army, and by so doing has added a immeasurably to the store of knowledge which will be of great value not only during the present war, but after hostilities have ceased.

The case was that of Private Harry McKenzie, an enlisted man in an Ohio regiment. Last August McKenzie had his left side torn open, his lung pierced, one of his ribs torn loose and his heart left exposed as the result of an automobile accident. He had been riding on the running board of the car and was squeezed between two machines. In addition to his other injuries, which were considered fatal, his left arm was shattered.

In this mangled condition the soldier was taken to a hospital in Montgomery and Lieut. Calhoun was summoned in consultation. The surgeon decided on drastic action. The lung was sewn up and the broken parts set. At the present time the soldier is walking about the streets of that city waiting until his arm heals before returning to duty.

The fact that the lung could thus be cared for in such a case at once stamped Dr. Calhoun as a practitioner of rare skill and his achievement is commented on at length by a number of southern newspapers, which say that the American people need have no fear for the medical care being exercised over the men now serving in the armies, when such excellent physicians and surgeons are on hand to bind up their wounds, whatever they may be.

Dr. Calhoun is a son of the late Moses Calhoun, who lived in Fallowfield township, near VanVoorhis, for many years. Dr. Calhoun's sister, Mrs. Phillips, lives near Washington. His mother died only a short time ago at the home of his daughter.

COST OF PRIMARIES WAS ALMOST $8,000

It cost Washington county $7,834.86 to conduct the primaries on the 19th of September last. This includes all bills paid up to and including October 9, according to a report given out by Controller T. J. Underwood. The election board expenses alone were $6,056.88.

WANT TOBACCO FROM THE STATES

Previously reported $52.75
William Walters ..... .25

One of the great desires of the men now serving in France is tobacco Of course they can buy tobacco there, but it costs them twice as much as in this country—in addition, they are not accustomed to its taste. What they want is the "smokes" they have been used to back in the States. Almost every letter received by parents and relatives from men now at the front is for cigarettes and smoking tobacco. The men are well cared for in every other way, but the government does not provide tobacco. It gives the men plenty of warm clothing and as for "eats," they have the best that the market affords But, after all, when the day's work is done, after the men have been relieved from the grinding of the day's toil in the various branches of military activity what they most crave is a smoke. You can help to satisfy this desire by contributing to the tobacco fund now being raised by the Mail. The small sum of 25 cents will send a smokes-kit to a man at the front. In it will be a postal card, stamped and with your address, upon which the soldier will acknowledge receipt of the package. By this means you will be able to know just who your package was delivered to and the acknowledgement will furnish a means of keeping in touch with the soldier whom you have befriended. A small donation from each reader of the Mail would make a good sized fund, but it would be none too large to convey to the boys now in service the gratitude we should feel toward them for the duty they have undertaken. May we expect your contribution.

MINES ORDERED TO SUPPLY RAILROADS

The fuel administration at Washington on Thursday directed the 100 coal mines along the Pennsylvania Railroad to supply coal to that transportation company on a pro-rata basis. The order is in the form of a demand and not a request. The fuel administration also announced a revision of prices upward in certain districts in Virginia, Tennessee and Kentucky, giving operators an increase of about 20 per cent.

COLORED MEN TO BE SUMMONED THIS MONTH

Negro men accepted for service in the new National Army will be called to duty some time this month. The date has not yet been fixed, but it will likely be shortly after the graduation of colored officers from the Officers Training Camp at Des Moines, Iowa. Colored troops will likely be assigned to the camps at Yaphank, L. I., Wrightstown, N. J., Annapolis Junction, Md., or Chillicothe, Ohio. It may be that colored men from Washington county will be sent to Camp Sherman, where the other contingents from this county are in training.

WANT 100 MEN FOR COMPANY A

C. H. Landefeld of Monongahela, received a telegram this morning from Capt. E. W. Hartland, at Company, 111th Regiment, old 10th Pennsylvania, at Camp Hancock, Augusta, Ga., to recruit one hundred men immediately for Company A. Assurance is given that the men who enlist under this call will be assigned to Company A and the first one hundred men who make application will be sent forward to Camp Hancock. Those men who may be called for service, but who have not yet been mobilized, will find this a splendid chance to enter the service and be with men whom they know. All information as to this opportunity can be obtained from Mr. Landefeld in Monongahela, either by a personal visit, or by calling Bell phone 248, Monongahela. The Pennsylvania boys are well situated at Camp Hancock, and this opoprtunity to enlist in a Company which has so many home boys does not come often. The Tenth will go to France at the completion of their training period—thus, if there are any who desire to see service, now is the opportunity.

TWINS CELEBRATE BIRTHDAY ANNIVERSARY

A very pleasant birthday party was given at the home of Mr. and Mrs. James Russell, 318 Washington avenue, Thursday evening, in honor of their twin children, Marion and James. It was their eleventh birthday anniversary and in order to celebrate it in [illegible] a number of their companions were invited to spend the evening at the Russell home and enjoy a Hallowe'en party. The guest list included Jean Duvall, Helen Perigrine, Olive McKean, Dorothy Sharpnack, Virginia and Frances Tussing, Mary Mogan, Beatrice and Hortense Greenberg, Lenora Small and Ethel Lichter, and William Mogan, Leonard Collins, William Atkins, William Chaney, George Gunderman, Thomas Mains, Edward McCutcheon, Edward and Ronald McKay, Robert Bickert, Nathan Johnson and Bernard Kendrick. The hours were from 7 to 9:30 p. m., and the young folks enjoyed a delightful evening in games after which a delicious lunch was served. Marion and James were the recipients of many handsome presents, token of appreciation from their companions.

Mrs. Arch Osborne entertained at her home on Fallowfield avenue Wednesday evening in commemoration of her birthday. Luncheon was served by the hostess.

Mrs. Margaret Carnahan of Donora and Miss Grace Hunter of Canton, Ohio, are visitors at the home of their brother, Joseph Hunter, of McKean avenue.

LOCAL DIVISION IS ORGANIZED

While the meeting for the women of Charleroi in the Sunday school room of the Christ Lutheran church Thursday evening was not as large as could have been desired, the interest manifested was of a very encouraging character and indicates that the local organization, which will hereafter be known as the Local Division of the Woman's Committee of the Council of National Defense will be an important factor in this branch of service. A permanent organization was effected by the election of the following officers:

Chairman—Mrs. R. H. Rush.

Vice Chairman—Mrs. Elizabeth Bertram.

Secretary and Treasurer—Mrs. Fred Clerihue.

Mrs. Edward Linton, chairman of the Washington County Division was the principal speaker and outlined the work of the organization, which is divided under ten heads as follows—1, Registration for service; 2, Food production; 3, Food conservation; 4, Women in industry; 5, Child Welfare; 6, Maintaining existing social-service agencies; 7, Safeguarding moral and spiritual forces; 8, Educational propaganda; 9 Liberty Loans and 10, Red Cross and allied relief. It will be the purpose of the local Division to have chairman appointed of each of these branches, that the work may be carried on in direct connection with the government. Other speakers of the evening were Mrs. Charles L. Crawford on Women in Industry and Mrs. L. S. Kennedy on the Liberty Loan. The Liberty Bond drive starts out under splendid auspices and is expected to be a success. Doctor on the work in Washington county.

BIDS REJECTED

[illegible] during the week [illegible] Sixth [illegible] Denny O'Neil, Thursday, rejected bids for the construction of the old Pittsburg pike in Washington and Allegheny counties. This road connects Washington with Pittsburg. Commissioner O'Neil said the bids were too high. The bid for the improvement of state highway 268 in East Bethlehem township was also rejected for the same reason. There was only one bidder for each contract.

SALARY INCREASE WAS NOT HIS OBJECT

Dispite an increase in salary offered him, Rev. C. S. Joshua, former pastor of the First Baptist church of Charleroi and now pastor of the Emmanuel Baptist church of New Castle, has determined not to remain in New Castle. He has accepted a call to the pastorate of a Baptist church at Bethlehem, Pa., and will assume his new duties there the first Sunday of November.

THOUGHT HE HAD STRUCK A WOMAN

An arrest which caused considerable merriment was made by the local police at the Pittsburg Railways company car barn about 8 o'clock Thursday evening.

It appears that two passengers on a north-bound car, one of whom was W. B. Pounds, a heavyweight from Washington and the other Dr. "Pawnee Charley" got into an altercation while the car was under inspection at the barn. Pawnee Charley made a pass at Pounds, who retaliated and struck Pawnee Charley so hard that the man with the Indian name hit the door. He came back for more and Pounds gave it to him, almost putting his opponent out. The police were summoned and Chief Albright and Officer Murphy soon appeared on the scene. The men were put into the patrol and brought to the police station. Pawnee Charley was the first to get out, while Murphy was looking after Pounds, whom he thought might make a break for liberty. However, Pawnee Charley seeing an opening, made a break for liberty and started up Fallowfield avenue at a rapid rate Officer Murphy was too smart for him, however, and soon caught up with him, at the same time handling the speeding doctor a jolt for his trying to break away. When Murphy laid his hand on Pawnee Charley the prisoner's cap was knocked off, when a mass of hair fell around his shoulders. Murphy took his man in tow and brought him to the police station. Pounds who had preceded him, when he saw Pawnee Charley and his long flowing hair, became frightened and thought he had struck a woman and he immediately made an abject apology. Affairs did look a little funny for a time, but Pawnee Charley finally demonstrated that he was entitled to wear the name and ben men were held for a hearing.

ASKING BIDS FOR PRINTING BALLOTS

Bids are being advertised for by the county controller for the printing of the official and specimen ballots for the November election. Of these ballots there will be 38,000 official and 9,000 specimens needed. Bids will be received up until noon Monday October 22. Copy for the ballots is now in course of preparation at the county commissioners office.

CHARLEROI BOY ON U. S. S. WYOMING

Peter Bayes, son of Mr. and Mrs. Frank Bayes of 218 Meadow avenue, who enlisted in the navy on the 28th of last May, has been assigned to the battleship Wyoming on which he is employed at the present time as a ship fitter. The Wyoming is in active service at the present time, and it will be several weeks before any of the crew will be given shore leave.

FLAG RAISED AT CAR BARN

Patriotic Ceremony Uuder Direction of Street Car Employees

MANY ARE IN ATTENDANCE

The flag raising at the Pttsburg railway car barn in connection with the Columbus Day celebration being held under the auspices of the Sons of Italy, took place at 11:30 o'clock this morning. A brief program preceed the flag raising, consisting of an overture by the band, singing of "America" by the Ninth street school children, a patriotic address by Thomas P. Sloan of North Charleroi which was followed by the raising of the flag by little Miss Margaret Muckle of 1103 McKean avenue.

While the flag was being raised to full staff, the school children accompanied by the band, sang the "Star Spangled Banner," during which time the entire assembly stood uncovered and at attention. When the flag had been raised to its full height, and the song had been finished, the school children, under direction of Prof. Daniels, gave their pledge to the flag, "I pledge allegiance to the flag and the Republic for which it stands. One naton, indivisible, with liberty and justice for all."

This concluded the ceremony, which was attended by hundreds of people including many members of the Italian society, who were intensly interested in the proceedings. The flag, and other arrangements provided for by the employes of the car barn under direction of James Forsyth, a civil war veteran, who has been an enthusiastic promoter of many such celebratons.

ABBOTT IS MADE DUTY SERGEANT

Ody Abbott, of New Eagle, the well known ball player, who was in charge of the first contingent of men to leave the Fifth District for Camp Sherman at Chillicothe, Ohio, has been made a sergeant in the 21st Company of the Sixth Battalion, and from reports received from camp is making good. Joseph Warne of Monongahela, who was a member of the same contingent, has been made supply sergeant in the same Company, a position of great importance and responsibility. When the third contingent arrived in camp last Saturday night they were given the glad hand by the boys on the ground.

Mrs. J. G. Steinbaugh and daughter Miss Elizabeth of Fallowfield avenue spent Thursday in Pittsburg.

IS THE YOUNG MAN SAFE?

The letter which the Mail published on Wednesday, from Roy I. Carson, now in the National Army at Camp Sherman, Ohio, was one that gave a great deal of information to our readers. It touched on many matters about which our people were somewhat ignorant of and while we all knew in a general way of conditions at the various cantonments, Mr. Carson's letter served to dispel many doubts and fears that may have bothered a great many people who have sons or relatives in the new army now forming.

Particularly was this true with reference to the moral conditions which surround the camp. The government has taken the most drastic measures to protect the morals of the men who have been called to service. A zone has been established around every camp, in which no intoxicating drinks can be sold, and in which the red light district is abolished. Municipalities are given the opportunity to make these changes, wherever necessary, and if there is any hesitation from the local government, then the United States steps in and with its supreme authority brings about a condition of affairs which it deems necessary for the welfare of the young men who make up the great army now in course of preparation. This order applies to all the military activities of the country, wherever they may happen to be located. The government is playing no favorites in this respect the same rules apply to one just as another.

When the troops were on the Mexican border last summer, it was seen that conditions in and about many of the towns where the troops were located were not what they should be. It required the most rigid attention to details to keep the men fit for service, but in all of that campaign the government authorities learned much and this knowledge is now being applied in a manner to bring the best results.

It is certainly gratifying to the parents and friends of the boys now in service to know that the government has taken the trouble to make all camps safe places for such important work as they will be called upon to perform.

German prisoners are said to have a grouch against their higher officers for refusing to take personal risks. This calls to mind the fact that all of the numerous Hohenzollerns are still skin-whole.

SAYS HE FOUGHT IN THE TRENCHES ALTHOUGH HE'S 72

But the Foe Was Rheumatism and Its Conqueror Was Nerv-Worth

The following unsurpassed endorsement was recently given to druggist Baer, the Nerv-Worth distributor at Wheeling:

"I have been fighting in the trenches for years against my enemies, Rheumatism, Stomach Trouble, Nervousness, Indigestion, Constipation and Sleepessness; and the one big shell with the big explosive that put them all to rout was Nerv-Worth. When I walked into your store two weeks ago and procured a bottle of Nerv-Worth, I could hardly navigate from weakness and rheumatic pains but now, after using one bottle I am out of the trenches of sickness and feel fine for one of my age, 72 years. All my aches and pains have left me. Can eat heartily and relish my food. No more indigestion or constipation and no rheumatism. Sleep soundly. I shall keep on using Nerv-Worth until I gain my full strength. It is the only remedy I have been able to find in all my years of ailments that did me any real good. I recommend it to all, old or young.

A GREAT CHANGE ENTERS INTO LIFE OF STOREKEEPER

A certain unassuming gentleman in this city who happens to be a prominent dealer and who up to a few weeks ago had become a recluse because of his physical condition thus this remarkable and most interesting tale:

"For a number of years," he said, "I have been so closely confined to my business working zealously to make my store representative in every respect that wear and tear finally got me, my face became drawn and haggard and my disposition seemed to urge people to evade me. I was then that I began to despise my own company. My bookkeeping who has been with me a long time one day suggested that I needed a rest and that my nerves required attention. She told me that her father had been in the state of health which I was experiencing and that he had taken Phosphated Iron. 'Look at him now,' she said. 'He works ten hours a day and appears to be the happiest man in the world which he believes he is, he says.'

"All this happened less than a month ago. I followed the advice and look at me now. Back in the harness with a smile all the while. I am feeling more fit than ever. When I see a tired looking face the name of Phosphated Iron immediately comes in my mind. I am convinced that it is converting many a worn out body into a life rich in thought, ambition and enthusiasm."

Special Notice—To insure physicians and patients receiving the genuine Phosphated Iron we have put up in capsules only so do not allow dealers to substitute pills or tablets, insist on the genuine in capsules only. W. F. Hennings, the druggist and leading druggists everywhere.

FOOT BALL SEASON OPENS SATURDAY

The first home game of the Charleroi high school football team will take place Saturday afternoon at the Charleroi Athletic Park, kick-off at 3 o'clock. The opponents of the local boys will be the strong Pittsburg Academy team and in preparation for the contest the locals have been putting in some gruelling practice under the eyes of Prof. Grimm and Assistant Coach Stahlman. Every evening the local team has been out for a stiff practice and expect to be in good shape by Saturday to show their goods to Charleroi fans who have been eagerly awaiting the opportunity to give the team the once over." The games which the team has already played has served to weld the machine together more perfectly and to give the boys more confidence in the plays which they are now perfecting and which are expected to bring success to their campaign. Charleroi High has always been strong in football and the present season is expected to be as successful in that rspect as any of the past. If the weather is favorable it is expected there will be a large crowd on hand to give the locals encouragement in the encounter with the Pittsburg boys.

CHILD DIES FROM SERIOUS INJURIES

Charles Machilla, Jr., the 2-year-old son of Mr. and Mrs. Charles Machilla of Weaver station, near Bentleyville died at the Memorial hospital, Monongahela on Wednesday from injuries received on Tuesday when struck by a passenger train on the M. & W. branch. The child had wandered away from home and was walking along the railroad tracks when the train came along. The engineer saw the child but could not stop the train in time to prevent the accident. The child was knocked down and when the train was stopped was found under the baggage car with an arm crushed. The chid was also injured internally. The arm was amputated at the hospital, but death resulted later.

GRADUATE NURSE RUSHES TO HER BROTHER'S SIDE

With Aid of Tanlac She Nurses Him Back to Health

A sister's devotion to her brother prompted Miss Emma L. Gommer, 238 Front street, Nanticoke, Pa., near Wilkes-Barre, a graduate nurse of the Bellevue Hospital, New York City, to rush to his side, in an effort to relieve him of a severe case of stomach trouble which he had suffered from for the past two years.

"We tried everything for him, but not until we got Tanlac did he show any signs of improvement," said Miss Gommer. "Personally, I was surprised at the way Tanlac took hold of him. His appetite which had fallen away to almost nothing began to increase immediately. Before taking Tanlac he was unable to retain any food on his stomach. Food would cause him terrible pains and suffering and vomiting after every meal. He became very weak and was steadily losing weight.

"He was in such terrible shape that it took four bottles of Tanlac to fully straighten him out, but today he says he feels better than he had in the past two years and his appearance bears this out. He gets the full food value of what he eats and he is now back at normal weight and is getting stronger every day. We are very proud of what Tanlac did for him."

Tanlac is now sold here by Pipers Pharmacy.

GOVERNMENT
GRANTS PERMITS

Coal developments in the upper pools makes it necessary for operators to take out government permits for improvements to be placed in the Monongahela river. Recently the Seventh Pool Coal company was granted a permit to construct a tipple and ice breakers on the left bank of the Monongahela about a mile and a half above Greensboro, and the Hecla Coal & Coke company was granted a permit to drive piling for bank protection along the right bank of the Monongahela river three and a half miles above Lock No. 6.

Miss Janet Russell and David Wise of Pittsburg were guests at the home of Mr. and Mrs. James Russell, 318 Washington avenue, Thursday evening.

THIS WOMAN TOLD TO CHOOSE

Between Operation and Death—Cured by Lydia E. Pinkham's Vegetable Compound.

Des Moines, Iowa.—"My husband says I would have been in my grave today had it not been for Lydia E. Pinkham's Vegetable Compound. I suffered from a serious female trouble and the doctors said I could not live one year without an operation. My husband objected to the operation and got me to try Lydia E. Pinkham's Vegetable Compound. I soon commenced to get better and am now well and able to do my own housework. I can recommend Lydia E. Pinkham's Vegetable Compound to any woman as a wonderful health restorer."—Mrs. BLANCHE JEFFERSON, 703 Lyon St., Des Moines.

This famous remedy, the medicine ingredients of which are derived from highly prized roots and herbs, has for forty years proved its value in such cases. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegtable Compound.

Do you ever have the "blues"?

That discouraged feeling often comes from a disordered stomach, or an inactive liver. Get your digestion in shape and the bile acting properly—then the "blues" will disappear. You will soon be cheerful, if you take

NOTICE!

For the convenience of our many customers in Charleroi and vicinity, our Manager will be at the Hotel Charleroi,

SATURDAY and MONDAY, OCT. 13th and 15th
10 A. M. to 8 P. M.

He will have with him a complete showing of fine woolens (in the piece--not samples). All of our old friends--and new ones--are cordially invited to visit him and to inspect the intensive Glasgow showing, and if you so decide--

GET MEASURED IN CHARLEROI FOR YOUR NEW GLASGOW WINTER SUIT or OVERCOAT

NO MORE NO LESS **$15—$20—$25** NO MORE NO LESS

IMPORTANT! Glasgow has not raised its prices, and will not so long as our present stocks of fine woolens remain, woolens contracted for at the mills before the price advanced. Now is the time to buy to Save Real Money.

Glasgow Woolens are Standard Heavy Weight. Cloth purchased now at mills is much underweight because of the wool shortage. Our present heavyweight woolens cannot be duplicated at any price.

REMEMBER: As long as our present large stocks remain, Glasgow customers get their clothes tailored as before-the-war standard heavy-weight woolens, at before-the-war prices.

Don't fail to see our Manager at Hotel Charleroi. Here Saturday and Monday
FROM 10 A. M. TO 8 P. M.
